Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine ALL of your primary students becoming well prepared with the number sense they ll need throughout elementary school with only TEN MINUTES of high-leverage small-group instruction in your class each day, plus game time! Traditional lesson models often compel us to push children past their optimal learning zone, causing fatigue, stress, and boredom, which actually inhibits neuro connections in the brain. Is our conventional approach to lengthy whole-group math lessons working against you? Are some of your students missing critical learning opportunities? Fully aligned with Common Core standards, this guide makes your lessons inclusive to all! Despite a surge in attention deficits, limited language development, and domestic hardships in our population, success is yours through this highly effective approach that can transform teaching math in your classroom. The Mathemagician unlocks new secrets to building confidence and competency for all of your students! At last! An easy-to-read teacher s supplement geared to all children. It s that simple! All children in your class will benefit from the break-through methods and psychological wisdom packed in this must-have resource for primary teachers! Includes: Higher Level Thinking Language Stems, Ten Critical Errors to Avoid, and Common Core Math Practice Standards.
