Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Brand New Book ***** Print on Demand *****.Sir Walter Scott was, in his lifetime, a prodigously prolific writer; many of his novels (like these tales at hand, and also like the fondly-remembered Ivanhoe) were set in the very Scotish counties where Scott lived.Collected in this volume are three eerie supernatural Gothic tales: My Aunt Margaret s Mirror - the tale of a superstitious woman who fears the sight of herself in mirrors, because she s certain she ll see apparitions there; The Tapestried Chamber, and Death of the Liard s Jock.
