World War II Leningrad: A History from Beginning to End (Paperback)

By Hourly History

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.World War II Leningrad History describes the 872-day Siege of Leningrad as the most devastating siege in history. The German army had made its way to Leningrad before the city had the opportunity to prepare for an assault and the consequences were lethal. Accompanied by one of the worst famines in history, as well as a brutally cold winter in 1941-1942, the civilians were doomed. Of the three million people living in Leningrad at the start of the siege, more than a million would be evacuated and approximately another million would die before the assault ended in 1944. Inside you will read about. - St. Petersburg: The City of Three Revolutions - The Fate of Leningrad under Stalin - Encircling Leningrad - Inside Leningrad - The Road of Life - The Leningrad Affair And much more! During those 872 days, Leningrad was rendered numb as people fell dead in the streets and were not placed in coffins because no one had the strength to bury them. People ate their pets and boiled leather for food; they committed murder to obtain ration cards...
