Createspace, United States, 2011. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A note from the author: Just to be clear, Staging a Miracle is not a therapy book, nor is it our personal story. It is a direct road map that lays out the strategies and thinking sets that enabled many of the actions that accelerated our son s recovery journey. With all of the autism-related resources available today, I found that none of them directly addressed life strategies and thinking sets that normal people could follow to help them set up their child for the greatest possible success. This book aims to fix that. -- Jason ********** This book is an easy-to-follow road map for navigating the twists and turns your life will take after receiving an Autism-related diagnosis. Avoid the most common mistakes made by new parents, save time, money, and follow practical, hands-on strategies to give your child the best possible chances for success. Partial list of contents: * The 5 Biggest Time Traps in the Autism World (and How to Avoid Them) * How to Know Which Therapies are Right for Your Child. * The #1 Reason Kids with Autism Don t Make Progress * The Top 3 Mistakes People Make When Dealing With School Systems and Government Agencies * 8 Things Every Parent *Must* Do to Prepare * 3 Common Mistakes to Avoid in Housing Situations * Two Weeks That Can Change Your Life * How to Choose a Therapist * What to Do if You Choose the Wrong Therapist * 9 Personalities You Should Seek Out for Your Team * 2 Critical Steps to Engage Older Siblings * 3 Ways to Stretch Therapy Supply Dollars.
