Survival Beyond Belief: The Rape of A Nation I (Paperback)

By Augustine S. Chea

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book chronicles the life, death and survival of the fundamentally spiritual people of Liberia, Africa s oldest Republic. Founded on Judeo Christian Principles by former Black American Slaves, Liberia has been raped militarily, economically, politically and socially for many years by corrupt civil leaders and warlords greedy for power and wealth at the expense of the people. Over 300,000 have lost their lives. In the end, Liberians benefited from an unprecedented 15,000 strong United Nations peace keeping force. The author testifies about his struggles to survive in the war and how GOD miraculously delivered him from the cruel hand of death many times over. With its cross over appeal, this page-turner is a testament to the ability of the human spirit to transcend the barriers of life and to the truth that life is worth living. It presents a unique and balanced perspective about the reason for the conflict. Those who love great story telling, burning Christian testimonies or plain history, will find it intriguing, attention grabbing and spiritually uplifting.
