Following the Butterfly is a journey of self-exploration, created when the author allowed herself the freedom to follow her thoughts wherever they led her. These thoughts became a collection of short stories, essays, poetry, prayers and affirmations that led the author to a deeper self-understanding. It is her hope that in following her butterfly you will be inspired to follow your own, into worlds previously unexplored within yourself. Whether you use this book for daily meditation, for enjoyment, for spiritual questing or renewed appreciation of the beauty and challenges of life, may it bring you fuller understanding of the miracle that you are.
