Lulu.com, United States, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is basically my notes from the CE-5 FREE MEDITATIONS page on my website, with a few changes here and there. Included in this book is not just a step by step guide to initiating contact with otherworldly beings, but photos and links to videos of what to be on the lookout for. Also included in this book is equipment I recommend, locations tips with safety and hazard checks, meditations notes (with a few links to both audio and video versions of them), to tips and tools on everything I could possible think of up to this current time. Many have found the notes to be handy from my website page, so I decided to make a book from them in a few different formats, so people have the notes and can do contact whenever and wherever they like. I hope you enjoy this book. Cheers Peter Maxwell Slattery.
