Bod Third Party Titles, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Le livre dictionnaire #Ingeta ne fait pas qu'expliquer les expressions et les concepts; il deconstruit le discours officiel que les maitres du monde et ceux qui leur obeissent imposent depuis tout un temps. Il deconstruit, tant soit peu, la novlangue en restant tres attache a la reecriture de l'histoire du Congo-Kinshasa. Chaque page de ce livre expliquant un mot ou une expression resume a grands traits l'histoire du pays de Lumumba depuis la guerre de l'AFDL (et meme un peu tot) jusqu'a ce jour. Telle est la magie de ce dictionnaire. Il retient certaines dates et revient sur certains evenements ayant marque la vie du pays de Kimpa Vita ces dernieres annees. Etat rate, Etat manque, guerre de basse intensite, glissement, gouvernement fantoche, Etat profond, videosphere, Washington, etc. Tout ceci est explique. Mais aussi Genval, Ile de Goree, etc. Mais pourquoi faire? Pour une insurrection des consciences au coeur de l'Afrique. #Ingeta. Dictionnaire citoyen pour une insurrection des consciences vient rappeler que l'usage des mots n'est pas innocent. Il est un essai audacieux de deconstruction de la novlangue au Congo-Kinshasa.
