Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Way Of Harmony is a creative tool for balance, well-being, and intuitive decision making. Two versions are available -- one with Color illustrations and one with Black White. This unique presentation of ancient Chinese wisdom for modern times draws on the counsels of the three thousand year old classic The Yi Jing and the inspirational messages of the spiritual masterpiece The Dao De Jing. The Yi Jing is most ancient of all the Chinese classics. It charts the world of change and encourages an understanding of relative harmony. The Daoist classics appeared about five hundred years later. They point to the perfect harmony of the source that transcends all change. Still, formless, and ever present the Dao is said to create change the way an ocean surfaces its waves. Way Of Harmony consultations invite you to interact with the Yi Jing in a practical way. During consultations you ask for help to understand your current situation and its potential. Readings are meant to activate intuitive decision making abilities and guide you in adapting to the flow of change in your life. The Yi Jing oracle s original healers and sages enjoyed simple lives that were closely linked to nature. Like those ancient diviners on top of the mountain when you approach Yi Jing consultations sincerely, relax into the moment of the oracle cast, and open to the world s mysterious interdependence, you are inviting your natural capacity for intuitive understanding, creative action, and the deepest harmony.
