

## Tales of a Helicopter Pilot (Hardback)

Filesize: 8.82 MB

### **Reviews**

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*

*(Lexie Paucek PhD)*

## TALES OF A HELICOPTER PILOT (HARDBACK)

Smithsonian Books, United States, 2002. Hardback. Book Condition: New. 239 x 159 mm. Language: English . Brand New Book. Richard Kirkland is legendary for his P-38 Lightning missions in the South Pacific theater during WWII. After the war, he realized the potential of Igor Sikorsky s new flying machine, and he traded in his fighter-pilot wings for rotors. The nerve-racking chopper missions he has flown are the stuff of legend: scrambling to evacuate president Harry Truman after an unthinkable code red one alert comes over his red phone; bantering with the real Hawkeye at a MASH unit before flying into North Korea to rescue wounded soldiers. Equally riveting are his accounts of a medevac pilot in Vietnam who lands a ten ton CH-46 Frog in the jungle at night, with no lights, under fire, with only a soldier s cigarette lighter for reference; and an aerial tour pilot who routinely pulls people out of the water above, below, and right before Niagara Falls.
