Strategic Book Publishing, United States, 2013. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.It started when I was 16 years old and in high school. I had a notebook where I wrote poems, stories, and topics about my perspective on life. I had no idea that the passion for writing was developing inside me. After years of writing notes, I became active on Facebook and on it published new poems and articles. I wrote one article that became a story, and while reading it, realized that God had inspired me to write a story which, in the future, could be a book. I told my family and friends about it, and their advice was that I should read more to be able to write better. So my journey started! God is and was my inspiration since the beginning. In 2012, I met a couple and wanted to give them something special, so I wrote different verses for them about our relationships. After a month, God spoke to my soul and I started writing proverbs, or wisdom verses. It changed my life and perspective, and I felt reborn. Every time I read my book I feel peace and new ideas come to mind, allowing me to see life from different angles. Just like I always say: It s not what you say; it s how you say it. And it s the same with life: It s not what you see, it s how you see it. Yherlisa Jimenez was born in the Dominican Republic and grew up in Aruba. She is studying international relations at Atlantic International university. Publisher s website: //.
