Driftwood Cove: Two stories for the price of one (Paperback)

By Debbie Mason

Little, Brown Company, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Private investigator Shay Angel has spent the last year searching for the son she'd given up for adoption. Giving him up was one of the most heartrending decisions of her life. But, at the time, she had nothing to offer him. And she absolutely couldn't tell the father, Michael Gallagher, about their child. Special Agent Michael Gallagher is annoyed that investigating the disappearance of Charlie Angel is bringing up memories of his ex-girlfriend Shay. But instead of forgetting about the girl who left him behind, Michael soon finds himself staring at the wrong end of a twelve-gauge shotgun being pointed at him by none other than Shay. Seems she isn't happy with how he's investigating her uncle Charlie's case. Although both feel betrayed, Michael and Shay must put their differences aside and work together to find Charlie. As the two spend more time together, the more they start to recognize they're made for each other. But will Shay's secret destroy their happily ever after before it even begins?.
