

Sniffer Dogs: How Dogs (and Their Noses) Save the World (Hardback)

By Nancy Castaldo

HOUGHTON MIFFLIN, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. Anyone who has ever spent time with a dog knows that dogs love sniffing! They sniff out hidden food, dirty socks, and the visitor who comes to the door. But some dogs work with police officers, soldiers and even scientists to put their sniffers to work. Sniffer dogs make use of the amazing biology behind their noses to protect people from bombs, catch criminals smuggling drugs, or help researchers locate a hard to find snail in a forest. A dog s nose is so sensitive that if a human could see as well as a dog could smell, we would be able to see the small letters on an eye chart from four (four!) miles away. Is it any wonder then that dogs can be trained to find missing people in piles of rubble or a certain flower blooming amongst hundreds or thousands of other smells? In Sniffer Dogs you will meet many dogs and their handlers and learn all about their jobs. Some of these dogs are raised from birth to detect blood sugar levels in their owners. Others are rescued from animal shelters and...
