A lapbook is a portable project filled with pictures and other neat information about a topic. It s a great hands-on way for students to start learning about a topic, or to wrap up a study. But many teachers/parents are intimidated by where to begin with these great resources. Our goal here: Our goal is to take the unknown out of lapbooking and show you how easy it is to incorporate lapbooks into your educational options. Why this booklet? There are many bigger and more complicated guides to Lapbooking out there - in this SMALL, CONSISE booklet we have worked to show families how easy it can be - and encourage them to add consider it for their homeschooling journey.
