This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Philip Whitney, a luckless young man who strangely becomes attracted to his family s genealogy, discovers that his American roots began in Salem, Massachusetts during the time of the Puritans. As his search takes him to a witch s house in modern day Salem, a witch that was known to be hanged in 1692, a procession of odd events take him back to the witch trials, where he is to free the woman s daughter, who was hanged for witchery, and bring her to the future. After his arrival at Gallows Hill, three hundred and twenty-four years in the past, he is thrown into the Salem jail, where he meets a notorious ancestor and a well-known pirate.
