A JOURNEY TO SOMETHING MORE: NOT YOUR MOMMA S SELF-HELP BOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Full Color Version Synopsis: The loss of love is not nearly as painful as our resistance to accepting it. I was never one to patiently pick up broken fragments and glue them together again, and then tell myself that the mended whole was as good as the new. What is broken is broken and I d rather remember it as it was at its best, then mend it and see the broken pieces as long as I lived. Sometimes, divorce is a sign of God s mercy and grace and not a symptom of human failure. So when it s finally over, you need to just step back, reassess the situation, and figure out just who you really are and what exactly you re looking for. The Journey to finding SomeThing More, often times left me with a visible sign on my back reading Welcome to my playground, I have giant mood swings and emotional roller coaster rides! Enjoy! At one point it was my main goal in life to have a psychiatric condition named after me. What happens when or if your special someone decides they don t love you anymore! Can you really just Un-Love someone you gave your heart to? How do you Get Over love or should I say Recover from Love? Don t get me wrong, being a young woman in love is amazing, being a mom simply overfills my heart with joy, but being a freaking cougar and not expecting it, it s absolutely PRICELESS!! Now I m not complaining about marriage, after all it has made me exactly what I am today, Happily Divorced! Sherry Forler, a newly divorced 47 year old Hot...
