## Cowboy Lust: Erotic Romance for Women (Paperback)

By Delilah Devlin

Cleis Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. There s a reason Western romance novels never go out of fashion. The cowboy is an iconic figure embodying the dichotomy of the fiercely independent, earthy alpha male juxtaposed with the male as a nurturer and protector. Cowboys take care of their women in every possible way. Wild and wayward women are gentled by the scent of horse and cow and the sight of sun-kissed skin, the feel of work-hardened thighs and arms, and the sound of a deep-voiced Texas drawl. Contributors at the top of the Western romance genre, including Charlene Teglia, Randi Alexander, and Cat Johnson, have corralled here strong and memorable characters ranging from a rodeo star and a cop on horseback to a feisty female gunslinger. Traversing romantic settings from Montana, Texas, California, Mexico, and the Outback of Australia, the stories in Cowboy Lust are risky and risqué, full of studs in spurs hot enough to send you to a vacation on a dude ranch!.

### Reviews

*These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.*
