THIS IS MY BODY: EMBRACING THE MESSINESS OF FAITH AND MOTHERHOOD (PAPERBACK)**DOWNLOAD**

Upper Room Books, 2018. Paperback. Condition: New. Language: English . Brand New Book. Kneeling at the communion rail, Hannah Shanks heard the familiar words The body of Christ, broken for you as she received the bread. And then The blood of Christ, shed for you as she was given the cup. Just hours before she had found out she was pregnant. Now she heard the words This is my body in a new way. It occurred to her that Jesus words spoken at the Last Supper-- This is my body, broken; This is my blood poured out --were as fitting a description of birth as they are of death. This Is My Body is a journey of discovery and reclamation, of finding familiar paths in unfamiliar territory and new facets to ancient rituals. Part personal narrative, part unearthing of scripture passages from a woman s point of view, it helps readers realize that God can be seen through the experiences of women just as much as those of men. Using the communion liturgy and elements of the common table as a framework, the book offers much material for reflection on a central act of Christianity.
