Elsevier - Health Sciences Division, United States, 2016. Paperback. Condition: New. 15th Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Learn to master the core terms, concepts, and processes of human anatomy and physiology! Corresponding to the chapters in Thibodeau and Patton s Structure Function of the Body, 15th Edition, this engaging study guide contains variety of exercises, activities, and anatomy drawings to help you easily review, retain, and apply important AP concepts! Brief synopsis of the core concepts from the textbook provides a comprehensive review of essential content. Diagrams, labeling exercises, and coloring exercises reinforce where the structures of the body are located. Crossword puzzles and word finds help readers master new vocabulary terms. Application questions ask readers to make judgments based on the information in the chapter. Matching and fill-in-the-blank exercises help readers better understand chapter content. Study tips in the preface provide insights on the most effective methods for learning and retaining information. Answers to exercises in the back of the book include references to the appropriate textbook page to give readers instant feedback. NEW! Updated art throughout enhances learning by presenting anatomy even more clearly.
