

## Goodbye Earth (Paperback)

By Sam Sidawi

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As the cracks in Earth s ecosystems beginning to show a group of young people are drawn together by shared dream experiences. When they realize, however, that the dreams are actually warnings about a bleak, desperate future, they endeavor to solve the dreams riddle to save their planet. But only one has the prophetic vision with the answer, and it will force her into the most difficult choice she has ever had to make. A fast-paced cautionary tale about the dangers of our present course and the consequences of inaction, Sam Sidawi s debut is a thought-provoking, captivating story that is as suspenseful as it is entertaining. Earth s ecosystems have not collapsed-yet. But the cracks are beginning to show. Dozens of species of fish have vanished from the seas and only jellyfish seem to prosper in the poisoned waters. It s even hard to say whether the beautiful sunsets are due to nature or pollution. For Helen and a group of young people drawn together by their dreams, the truth may be even worse. When the group realizes that...
