Enter the New World within the prequel of the very popular and successful first novel, KXXG: King Kong vs. Gigantosaurus The Adventures of Yuriko Kumage During the Greatest War on Earth, where the final battle between characters portrayed by Yumiko Shaku (The Princess Blade; Sky High) vs. Zhang Ziyi (Crouching Tiger, Hidden Dragon; Memoirs or a Geisha) is the main event of all time! As a result, the woman became the very first Asian, female US Navy SEAL with an accelerated rank of Captain. Inside the HKS, Kumage is entrusted to carry out government sponsored missions to exterminate the most evil terrorists and mind-ignorant human traffickers. Although her missions are quite successful, Kumages escape to safety is through the skin of her teeth with assistance from her assigned colleague, a United States Marine named John Max. Alas, Kumage discovers her horrifying past from hacking into the HKS network, and therefore strategically hunts her now grown-up assailants where she never provides any mercy. But Kumage is a US Navy SEAL who is not home. Therefore, she has to make her own decisions about what to do. Captain Yuriko Kumage - Her First Adventure During the Greatest War on...
