Getting Inside Google s Head Full Colour Collectors Book Edition It is every web site owners dream to have millions of visitors and customers! So how do you achieve this goal and know from the very outset you are on the right track and getting the correct advice! We all know today that we are all caught up in a very competitive global community. Yet at the same time we can see great success stories around us from many online endeavours and none more so than Google, as the World s Market Leader in Advertising. Many dream of great success online and often wish if only they could share in the Google phenomena of the countless \$\$\$\$ billions made. So I ask you, have you ever really thought of how you can share in that Google Magic! This book has been written for every web site owner. It is not some in-depth Geeks Guide to the World of Technology and coding. The book has been written covering the key elements of how you structure your web site and web pages, so your creation is optimized to function fast and efficiently on Search Engines (google, bing, ask, yahoo) and user browser (chrome, fire fox, explorer, opera, safari) rendering engines. By following the fundamental key golden rules in this book, you will find your web site traffic and customer sales growing, as your web site will soon become a friend to both Search and Browser rendering engines. Quotation: Natural Law and Quantum Mechanics teaches us about the Universal Laws of creation and at the very heart of this miracle for all life is refinement of design and efficiency . So I often ask...
