

Self-Organization in 8 Weeks: Your Ultimate Guide to a More Organized and Productive Life (Paperback)

By Hire Library Manager Music Department Simon Wright

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The term self-organization may seem misleading because it implies that it happens on its own, without any prompting. In reality, achieving self-organization actually requires a conscious effort on your part. Self-organization simply means organizing your mind, actions, time, home, relationships, work, and your life in general. It is important to keep yourself organized if you want to be successful in life. If you want to be successful in life, you need to organize your life so you can get more things done in the shortest time possible. Organization is one of the keys to success. You may think that 24 hours is not enough to finish all the things that you need to do, but this is not true. A lot of busy people are successful in what they do and still have enough time for their personal life. This means they must be doing something right with their time. Organizing is a lot more than de-cluttering and making a to-do list. It takes a lot of effort on your part, but the eventual rewards are worth it. This book gives you some...
