Nashoda Rose, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A sexy new paranormal romance from the New York Times and USA Today Best Selling Author Nashoda Rose. MAX Feelings are a luxury I can't afford. Hidden behind a shield of quiet placidity, I keep my secret safe from those who'd use it against me. Until him-the tatted up, self-centered Scar assassin hired to protect me. He takes pleasure in tormenting me, chipping away at my defenses as if I'm a toy to be played with. I hate that he continuously reminds me that I'm nothing more than a job. I hate that my body responds to his touch. I hate him. JASPER I'm not a good guy and I don't pretend to be. Condemn me if you want, I don't give a crap. You're nothing to me. No one is . except her-Max. She's my target. And I was hired to do a hell of a lot more than protect her . I was hired to kill her. It should've been simple, but it was complicated as hell. *Full-length stand alone novel. Come meet the Scars. Scars: Immortal warriors with capabilities derived from the senses: Trackers, Sounders, Healers, Tasters, Visionaries, and the rare Reflectors. They each have what is known as an Ink, a tattoo that can be called life.
