

Indigeneity and Political Theory: Sovereignty and the Limits of the Political (Paperback)

By Karena Shaw

Taylor Francis Ltd, United Kingdom, 2009. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.Indigeneity and Political Theory engages some of the profound challenges to traditions of modern political theory that have been posed over the past two decades. Karena Shaw is especially concerned with practices of sovereignty as they are embedded in and shape Indigenous politics, and responses to Indigenous politics. Drawing on theories of post-coloniality, feminism, globalization, and international politics, and using examples of contemporary political practice including court cases and specific controversies, Shaw seeks to illustrate and argue for a way of doing political theory that is more responsive to the challenges posed by a range of contemporary issues. An engaging and highly original analysis of Indigeneity and sovereignty, this book enables the reader to develop a more robust consideration of relationships between theory and practice, and thus the politics of theorizing.
