Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

The Sumerians are credited with being the first people to invent writing, libraries, cities, and schools in Mesopotamia (Ziskind 1972, 34), and many would argue that they were the first people to create and do those things anywhere in world. For a people so great it is unfortunate that their accomplishments and contributions, not only to Mesopotamian civilization but to civilization in general, largely go unnoticed by the majority of the public. Today, Babylon has become a byword for greed, excess, and licentiousness, mostly due to its mention in the Bible, but a closer examination reveals that Babylon was so much more, and even perhaps the most important city in the ancient world. Ancient Babylon was home to great dynasties that produced some of the world's most influential leaders, most notably Hammurabi and...
