Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It was Elder Taylor s intention to superintend the publishing of The Government of God in person, previous to his departure for Great Salt Lake City last spring; but the numerous cares attending the French and German Missions, of which he was President; the translation of the Book of Mormon into the French and German languages; the establishment of L Etoile du Deseret at Paris, and Zions Panier at Hamburg; together with a multitude of other business connected with the welfare of the Kingdom of God, rendered it impossible. The manuscript was therefore handed to me by Elder Taylor, with a request to superintend the printing of the work, which I have done to the best of my ability. Considering the disadvantages arising from the Author s absence during the reading of the proofs, I believe it is as correctly rendered, as was possible from a manuscript copy. The Work is now before the Public, and from one portion at least it will meet with a cordial reception, treating as it does upon the theme most dear to their hearts-the Reign of Righteousness and Peace. From other portions it will meet with varied reception, but will nevertheless lead the minds of all to contemplate the glory of that time when the Messiah, even Jesus, shall come with all his holy angels, and sit upon the throne of his glory, and govern all nations upon earth.
