

You Know Me Well (Paperback)

Filesize: 3 MB

Reviews

This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).
(Claud Schaden)

Pan MacMillan, United Kingdom, 2016. Paperback. Condition: New. Main Market Ed. Language: English . Brand New Book. Who knows you well? Your best friend? Your boyfriend or girlfriend? A stranger you meet on a crazy night? No one, really? Mark and Kate have sat next to each other for an entire year, but have never spoken. For whatever reason, their paths outside of class have never crossed. That is until Kate spots Mark miles away from home, out in the city for a wild, unexpected night. Kate is lost, having just run away from a chance to finally meet the girl she has been in love with from afar. Mark, meanwhile, is in love with his best friend Ryan, who may or may not feel the same way. When Kate and Mark meet up, little do they know how important they will become to each other -- and how, in a very short time, they will know each other better than any of the people who are supposed to know them more. Told in alternating points of view by Nina LaCour and David Levithan, the best-selling author of *Every Day* and co-author of *Nick and Norah's Infinite Playlist* (with Rachel Cohn) and *Will Grayson, Will Grayson* (with John Green), *You Know Me Well* is a deeply honest story about navigating the joys and heartaches of first love, one truth at a time.
