ANGLING DAYS: A FLY FISHER S JOURNALS (HARDBACK)

Skyhorse Publishing, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. From the very first, it seems, fishing was a respite and a therapy along with all of its other potentially redemptive qualities. --Robert DeMott Spanning more than forty-five years, *Angling Days* is a collection of Robert DeMott s numerous journal entries, each a small essay in itself, jotted down during the placid moments of fishing in and along the streams and rivers of North America. Through his journaling, DeMott carries on the angling tradition of channeling the tranquility of fly fishing into creative endeavors, whether by painting, sketching, fly tying, or writing. For him, it was writing--something he did whenever he could, whether in the midst of fishing or during a break away from the water. *Angling Days* is a lifetime of work, a chronicle of what it is to be an angler seeking the most pristine waters and the smartest fish. It is a collection of entries and musings in the vein of DeMott s literary hero, Henry David Thoreau, and promises to shine a new light on the art and joy of fly fishing. For me, rod and pen seem to complete each other in a kind of call-and-response way. One demands a response from the other, and in that way rod and pen complete each other. --Robert DeMott Skyhorse Publishing is proud to publish a broad range of books for fishermen. While not every title we publish becomes a New York Times bestseller...
