

Leading Change: How Successful Leaders Approach Change Management (Paperback)

Filesize: 1.93 MB

Reviews

It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. David Friesen IV)

Kogan Page Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. It is often claimed that 70 of organizational change efforts fail, despite the popularity of linear change models. However these linear approaches to change are often based on the premise that change is predictable and straightforward, when actually change is complex, with the human element often changing the functioning of the organizational system as a whole. Leading Change provides the practical framework that allows leaders to actively engage with a complex adaptive system to bring about successful organizational change. Supported by academic research, and grounded with a range of examples and cases, the book offers a genuine, viable alternative to existing approaches.
