It was from the castles that the feudal barons ruled their lands. It was there that the peasants found refuge from the attacks of Northmen and other enemies. In them chivalry was born and flourished; at their gates tournaments, jousts, and other knightly festivals took place; and in their halls the wandering singers, who were building up a new literature, found the readiest welcome and the most eager and appreciative listeners. 230. Plan of a Norman Castle. Let us fancy ourselves back in the eleventh or twelfth century, and examine a castle. We shall find the country very different, we may be sure, from what it is today. Great forests stand where now there are flourishing towns; and everything has a wilder, more unsettled look. Here is a castle in France that will suit our purpose. It was built by one of the vassals of William the Conqueror, and has been the scene of many sieges and battles. See how everything is arranged so as to make easy its defense. It is built on the top of a steep hill, and around its walls is dug a deep ditch or moat. At the outer edge of the moat we see a strong palisade of heavy stakes set in the ground. Just inside this is a path, along which sentries march in time of war. The gate, too, is doubly and triply guarded. In front of it..
