## CATHEDRAL ORGANISTS PAST AND PRESENT A RESENT: OR THE SUCCESSION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Cathedral Organists Past and Present a Resent: Or the Succession NO complete or adequate record of past and present Cathedral Organists of the United Kingdom has hitherto been published. The following pages have, therefore, been compiled to supply this want. The idea of this book originated in a somewhat imperfect list of Cathedral Organists, which I had gathered from various sources for my own private use. It afterwards occurred to me, however, that an amplification of this material, including short biographical notes concerning those Organists of whom any information could be obtained, might, if published, prove useful as a work of reference to Church musicians and to those interested in the history of this branch of the art of music. The assistance of the majority of the present Cathedral and Collegiate Organists, and, in some cases, that of the Cathedral Clergy and Chapter Clerks, was accordingly asked, in searching their registers and other documents for further information on this subject; and it is greatly owing to the ready and generous manner in which these gentlemen have responded to my inquiries, that I have been enabled to Obtain so complete and authentic a record.
