GENERAL AND LOCAL ANESTHESIA (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from General and Local Anesthesia The competent anesthetist is the surgeon s most valuable assistant. Conscious of this fact, I have endeavored to present in a concise form, the technique of surgical general and local anesthesia. The book could have been made more academical, could have been made to include interesting discussions of as yet unsettled points, but as it was intended for the hospital interne and for the general practitioner I decided to make it purely practical. Points that admit of controversy I have omitted. The methods that I have outlined are methods that are sanctioned by European and American clinicians. They are methods which I have tested in my surgical service at the Cook County Hospital. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
