

Start Kicking Ass with Container Soy Candle Making: Tired of Heat Guns, Sinkholes, Wet Spots, and Other Things That Totally Piss You Off When Making Container Soy Candles? Here s My Step-By-Step Single-Pour

By Lisa Lively

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This easy, step-by-step instruction manual is for anyone wanting to learn how to make soy container candles for profit. With so much misinformation on the internet about candle making, I've cut out many of the variables so you have a clear, precise place to start in this craft. Once you have a solid place to start and feel grounded you'll be at a better place to grow your own business as you see fit. Warning: this is a detailed guide! (Painfully detailed some might argue) Within these pages I promise to give you all the down and dirty in this business as I know it. Details on supplies, suppliers, trouble-shooting, learning, and even a little research where applicable. This product-based guide is perfect for those considering candle making as a small business or program fundraiser. I give you specific information to go forward immediately with your own project and evaluate for yourself if this craft is a viable place for your business or fundraiser. I share my mistakes so you can jump ahead to the profit-making in your own venture. Seriously,...
