Excerpt from The Keren Ha-Yesod Book: Colonisation Problems of the Eretz-Israel (Palestine) Foundation Fund But it would be a mistake to think that the Keren ha-yesod is only an instrument for collecting money. It is, first of all, an idea, or an amalgamation of two essential ideas. The first is the Ma'aser principle - a return to one of the oldest and most faithful of Jewish traditions, that of the Tithe. One-tenth at least of all you possess must go to, the Treasury of the Nation. This must be done in spite of the world's economic crisis, of the low rates of exchange, of the terrible disasters in Eastern Europe. In spite of all, one-tenth at least of all you own and earn belongs to Palestine. This is demanded of every Jew, Zionist or non-Zionist. No Jew has done his duty until he has paid the Ma'aser. This is the Old Jewish law, and this is the law of the great historic moment our generation has to face. If it needs revision in deference to the modern principle of progressive taxation, this object must be attained by increasing the tax on the rich, not by lowering that on the poor. It is a hard law, but the Jewish people will have to enforce it upon every one of its members - or to break down. The Ma'aser call is the expression of the unprecedented effort imposed upon us by this unprecedented hour of Israel's history.
