Beauty also abounds, but so do drugs and war. The facts of life are here to see. They will torture your mind with all the suffering today. The self-inflicted misery that people bring down on themselves goes hand in hand with peace and the impossible. The beliefs of man cause his destruction, but there are lessons to be learned. We can escape the doom and gloom as we turn each page. You will be entertained by it all until you reach the end.

*This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
