A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Manor House Publishing Inc. Hardcover. Book Condition: New. Hardcover. 192 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. This is the creative retelling of Dr. Ross Pennies true adventures as a medical volunteer on a remote South Pacific island. At 25, Pennie is fresh out of medical school when he heads for Papua New Guinea. As Pennie recalls: It was an uneventful stay, except. . . I faced amputating a young womans leg with a hacksaw; I performed my first-ever appendectomy during an earthquake, the hospital was turned into a temporary tavern to treat alcohol-poisoning victims. . . I developed milk formula that saved the lives of scores of malnourished children; I grappled with culture shock and indifference to my efforts; and I encountered a life-altering crisis of confidence that left me questioning why Id ever gone to Papua New Guinea in the first place. The Unforgiving Tides is a testament to the strength of the human spirit - and the limits of modern medicine. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
