Gender in Late Medieval and Early Modern Europe

By -

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This project is an attempt to challenge the canonical gender concept while trying to specify what gender was in the medieval and early modern world. Despite the emphasis on individual, identity and difference that past research claims, much of this history still focuses on hierarchical or dichotomous paring of masculinity and femininity (or male and female). The emphasis on differences has been largely based on the research of such topics as premarital sex, religious deviance, rape and violence; these are topics that were, in the early modern society, criminal or at least easily marginalizing. The central focus of the book is to test, verify and challenge the methodology and use the concept(s) of gender specifically applicable to the period of great change and transition. The volume contains two theoretical sections supplemented by case-studies of gender through specific practices such as mysticism, witchcraft, crime, and legal behaviour. The first section, Concepts , analyzes certain useful notions, such as patriarchy and morality. The second section, Identities , seeks to deepen this analysis into the studies of female identities...
