Angelico Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In *The Way of Beauty*, David Clayton describes how a true Catholic education is both a program of liturgical catechesis and an inculturation that aims for the supernatural transformation of the person so that he can in turn transfigure the whole culture through the divine beauty of his daily action. There is no human activity, no matter how mundane, that cannot be enhanced by this formation in beauty. Such enhanced activity then resonates in harmony with the common good and, through its beauty, draws all people to the Church--and ultimately to the worship of God in the Sacred Liturgy. *The Way of Beauty* will be of profound interest not only to artists, architects, and composers, but also to educators, who can apply its principles in home and classroom for the formation and education of children and students of all ages and at all levels--family, homeschooling, high school, college, and university. Since the good, the true, and the beautiful are a manifestation of the Trinity, it is always a grievous fault to leave beauty out of any discussion of the relationship between faith and reason. This being so, I am thrilled at the way David Clayton illustrates how beauty stands in eternal communion with the good and the true. --JOSEPH PEARCE, Aquinas College In spite of the great proclamation that the sacred liturgy is the font and apex of all we are about as Catholics, fifty years after the Council we still seem far from seeing and living this truth in all its fullness. Drawing upon years of experience as artist and teacher, David Clayton thoroughly unpacks this truth and shows, with an impressive range of examples, how...
