This pdf will be worth buying. Better than ever, though I am quite late in starting to read this one. I can easily get an enjoyment of reading through a published book.

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Friends, Lovers, Chocolate, Alexander McCall Smith, Isabel Dalhousie thinks often of friends, sometimes of lovers, and on occasion of chocolate. As an Edinburgh philosopher she is certain of where she stands. She can review a book called *In Praise of Sin* with panache and conviction, but real life is well, perhaps a bit more challenging - particularly when it comes to her feelings for Jamie, a younger man who should have married her niece, Cat. Jamie's handsomeness leaves Isabel feeling distinctly uneasy, and ethically disturbed. 'I am a philosopher', she thinks, 'but I am also a woman'. And more disturbance is in store. When Cat takes a break in Italy, Isabel agrees to run her delicatessen. One of the customers, she discovers, has recently had a heart transplant and is now being plagued by memories that cannot be rationally explained and which he feels do not belong to him. Isabel is intrigued. So intrigued that she finds herself rushing headlong into a dangerous investigation. But she still has time to think about the things that possess her - things like love and friendship, and, of course, temptation. The last of these comes in many forms - chocolate, for example, or seductive Italians.
