Excerpt from Toronto Bible College Recorder, Vol. 49: June, 1943 All this has been realized during the past year, notwithstanding the fact that the war has brought increasing limitations upon us. From the very beginning of the war our young then began to enlist. At least 75 recent students of the College have joined the King s Forces. Two of them have lost their lives, one in the Air Force and the other in the Navy. One of those in the Army was seriously wounded at Dieppe and is a prisoner in Ger-many. Several men in the Col lege at present will be in uni-form when they finish the session. Nine former students who have entered the minis try are now in the Chaplaincy Service. Many other former students, both men and women, are engaged in various forms of essential war service through out the country. All this has caused a steady decline in our enrolment from year to year. And yet in this fourth year ofthe war, more than 400 young men and women have turned their steps to the Toronto Bible College and have attended its various classes throughout this forty - ninth session. This is manifest evidence of the place which the institution has won in the midst of the Christian community, and of the value which consecrated Chris tian young people find in its courses of study and training.
