*Thorough manual! Its this sort of good read through. it absolutely was writtern very flawlessly and helpful. I am just easily will get a delight of studying a created publication.*  
*(Abdiel Stiedemann Sr.)*

## TRUTH AND COUNTER TRUTH (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Truth and Counter Truth There are certain fundamental truths of revealed religion which it is impossible to state explicitly without running counter to other truths, as necessary and as well established as themselves. What, in such a case, are we to do? May we receive the one and reject the other? Such is the way of heresy. May we side with the one and neglect the other? That were partisanship. We are to receive both, and to hold to both; this is to prove and test our Faith. The relation of Divine Omnipotence to mans free will is a case in point. God s almighty power is a truth that admits of no question: it is simply to say, God is God. But the Divine Omnipotence has for a counter-truth the fact of man s free agency. This too, is a truth that admits of ho question; it is simply to say, man is man and not a machine. Now if we keep the eye fixed exclusively on the power of God, we shall incline towards Fatalism: if, with the Pelagian, on the other hand, we regard man as an absolute cause, we overturn the very foundations of the mystery of grace. It is of Faith to receive both truths: the trial and test of Faith is to bold to both positively and without reserve. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
