

## Breaking Out of the Health Care Abyss: Transformational Tips for Agents of Change (Paperback)

By Royer-Maddox-Herron

AUTHORHOUSE, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It has become routine to see in various health care magazines, e-mails to leaders, and executive discussions on social media internet outlets, a listing of the ten top challenges that CEOs believe they are facing in the health care industry today. They often call this list the what is keeping me up at night list. Although the recognition of their current challenges is important for health system leadership teams and board members, just knowing them is not enough. To be successful in this extremely challenging and complex health care environment today, implementation of action plans is key. The recognition of this critical need to implement a successful road map to the future in order to address the disconnect between knowing and doing has driven the content of this book. Based on the less than positive performance, both clinically and financially, of many health care providers, it seems obvious that the implementation of successful action plans is sorely missing in many boards and leadership teams processes. The proof that such is the case lies in the fact that the yearly challenge list provided by a wide...
