It is precisely tailored to the company s actual organizational situation and its market environment.The report deals with analyses of Ryanair Holdings plc and its core business low cost flights with regards to get a status of its performance and the actual market situation in order to develop a suitable and successful marketing strategy.Ryanair offers low cost passenger flights within Europe. The airline serves short haul, point-to-point routes between Ireland, the UK and Continental Europe. Our idea is it to keep the product as simple as possible. Passengers travel ticketless without any frills in one class without any seat it is simple air transportation from A to B.The external environment in Europe favors Ryanair and the entire low-cost airline market with an air traffic growth of up to 20%. Regarding the competitive environment Ryanair - with a clear strategy and structure - gains in importance and already became the market leader in the intra-European low-cost airline market closed-packed with Easyjet and followed by Air Berlin. With its 35 Mio passengers in 2006 and an excellent profitability on a high level of 20% is grow-ing healthy and shows strong financial reserves of more than 2 billion.Our customer is anyone within Europe in the age between 15 and 64, who wants to...
