

My Father Had This Luger . a True Story of Hitler s Greece (Paperback)

Filesize: 4.95 MB

Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. Stone Kunze)

MY FATHER HAD THIS LUGER . A TRUE STORY OF HITLER S GREECE (PAPERBACK)**DOWNLOAD**

Montagu House, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.World War II seen with a 21st-century sensibility. An enthralling, moving and true story of the Nazi occupation of Greece, it reads with the speed of a compelling novel as it sweeps you vividly through the war with unflagging narrative pace. It leaves you with a fresh understanding of the war and of the indomitability of the human spirit. It delivers suspense, endless surprises and twists, sharp characterizations, insights into human nature and the indestructibility of family ties, and a fascinating historical education along the way. Like Bryce Courtenay s THE POWER OF ONE, this book uses a boy s experiences as a way to embed the reader into incidents filled with thought-provoking moral nuance. The gripping story is packed with events from hilarious episodes, described with a child s honesty, through poignant moments to profound terror. The descriptions of wartime menace are frightening but soldiers of all sides, as well as civilians caught up in the drama of the war, are drawn with humanity and compassion. The book unfolds with a fine eye for detail. The rich historical backdrop is painted in an often poetic but always crystal-clear and unpretentious prose, as though the narrator is speaking to you alone. The book opens when Greece is invaded by Italy s dictator, Mussolini. The outnumbered Greeks repel the invasion and the boy Evangelos s father is assigned to run a Prisoner of War facility for captured Italians, bringing the child into close contact with the prisoners. Mussolini calls in his ally, Hitler. One day Evangelos s father brings home a Luger pistol confiscated from a captured German. The Luger becomes a symbol of all that follows. Jack boots march through Athens, the...
