When presented as gifts, they are a beautiful way of expressing good wishes, of offering greetings or congratulations - and they can help those wishes come true. Crystal gifts and greetings are messages of a very special kind: crystals bring strength and joy; they help us to recuperate from illness, are a source of protection and power, and promote trust and bring comfort. Crystals express affection in their own way, preserving the memory of special moments and events through their very existence. Stones are more than mere words. They are enduring gifts, patient, always there for us, ready when we need them. It is time to give them - and us - the chance to speak.
