

Electronic Music and Musique Concrete (Paperback)

By F.C. Judd

Foruli Limited, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Frederick Charles Judd (1914-1992) was a pioneer of British electronic music, composing and recording at his home studio. *Electronic Music and Musique Concrete*, originally published in 1961, was one of the earliest books to introduce to a popular audience a form of music then in its infancy. From the late 1950s into the 1960s Judd toured Britain giving lectures and demonstrations of techniques and equipment, often in the company of his friend and fellow innovator Daphne Oram. Judd's biggest commercial success as a musician came in 1963 with *Space Patrol*, the first British TV series to feature an all-electronic score. A second book by Judd, *Electronics In Music* (1972), is also published by Foruli Classics.

Reviews

An exceptional pdf as well as the font employed was intriguing to read through. This is certainly for all who statted there was not a worthy of reading through. I am just delighted to inform you that here is the very best publication i actually have go through inside my very own existence and might be the finest pdf for actually.

-- Saige Lang

These types of publication is the greatest publication available. It really is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.
