## THE UNIVERSITY OF CHICAGO WAR PAPERS, VOL. 6: ENGLAND AND AMERICA (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The University of Chicago War Papers, Vol. 6: England and America Among the Allies of the United States on the Western Front in France, England is on the whole regarded with least favor by the Americans of the Middle West. This is probably to be explained in part by the fact that two large elements in our foreign-born population, the Germans and the Irish, are and long have been violently anti-english. No doubt it is to be explained in part also by the facts of our national history as they have been set forth in the school textbooks of the last generation. Most of us who contribute to the formation of public sentiment were brought up to regard England primarily as the enemy of our national liberties in the Revolution and the violator of our rights of trade in the War of 1812. When the French sent Lafayette and even the Germans von Steuben to fight on our side, England sent Lord Howe and Lord Cornwallis to subdue us. Facts like these are bred in our bones, and they furnish excellent material to the German sympathizers for the development of anti-english sentiment among us. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
