Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Karenzo Media. Paperback. Book Condition: New. Megan McMillan (illustrator). Paperback. 185 pages. This edition contains the first 5 episodes (books) in the Time Card series: The Mysterious CaseDeclaration TimeRebootedEscape to HarvardCivil RivalryThe Time Card series follows the adventures and fortunes of three friends Blue, Jesse, and Ellie as they use the contents of their newly found case to travel to diverse and exotic places. Their middle school studies come alive as they interact with historical figures of their country and the world, while at the same time struggling to not change the timeline or upset the course of history. Trying to hide the case from present day bullies, the friends try to stay one step ahead of their arch enemies Ryan Johnson and Jake Barker, not to mention sinister otherworld forces that are determined to find the time card. Join the kids as they explore new worlds, battle bullies, deal with family issues, and ultimately try to save the world. Each episode of The Time Card is aimed at young readers as short stories that can be read in a single sitting. As English teachers, we are always on the lookout for stories that our students (middlehigh school) are interested in reading. Weve found that most young readers (heck, even many adults!) who are reluctant to read balk at long stories. We really wanted to offer them short, engaging fiction stories, so we created The Time Card series. Anyone will enjoy the stories while learning about history, dealing with social situations, and improving vocabulary and reading skills. We hope you and your children enjoy these stories as much as we are enjoying writing them!Feedback: Great resource for getting students to read!Our class created vocabulary, comprehension sheets and a quiz. This helps my students with details, and sequence skills as well...
