

Gibson Falls Paranormal Society: The Haunting of Perkins Woods (Paperback)

By Sarah Bates

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Gibson Falls is a sleepy little town at the base of the Blue Ridge Mountains in Virginia. It s always been a quiet town, but unknown to most of its inhabitants, it s also a hub of paranormal activity. Intrigued by the idea of investigating and finding the truth - or debunking the false - in the allegedly haunted places in their hometown and the surrounding areas, Lyla Hammond and her friends form their own society of ghost hunters. But when something unexpected happens during one of their nighttime investigations it leaves the five friends shaken, and with a new member added to their team. Determined to find the true story behind the angry and nameless otherworldly resident of a long forgotten cemetery, the six companions work together to find the answers they seek. But in doing so other mysteries concerning the past of one of their members are brought to the surface of their investigation. How are the two connected, and how is it the new boy at school knows more about those mysteries than the person they involve?.
